

Performance and quality made easy.

The Series 850 features an updated, minimal design aesthetic that gives retailers with limited budgets the ability to realize a “premium” visual merchandising experience. Offering scalable

security, dependable power up and InVue quality, combined with small form factor sensors, the Series 850 proudly has a premium look and delivers a great consumer experience.

FEATURES AND BENEFITS

- 1 Above counter POD simplifies installation
- 2 Common visual merchandising platform shared with additional InVue solutions
- 3 Native 2.1A power-up capability
- 4 Loud 95db alarm
- 5 Optional, easy to install brackets provide scalable deterrence

FEATURES AND BENEFITS (continued)

- 1 Small sensor provides minimal interference
- 2 Nightly removal capability by simply removing sensor from base
- 3 Serialized IR Key interface provides compatibility with InVue Access Manager zone control and auditing
- 4 Smaller strain relief improves aesthetics while maintaining high quality and reliability

IR ECOSYSTEM™

Series 850 is part of the exclusive InVue IR Ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.

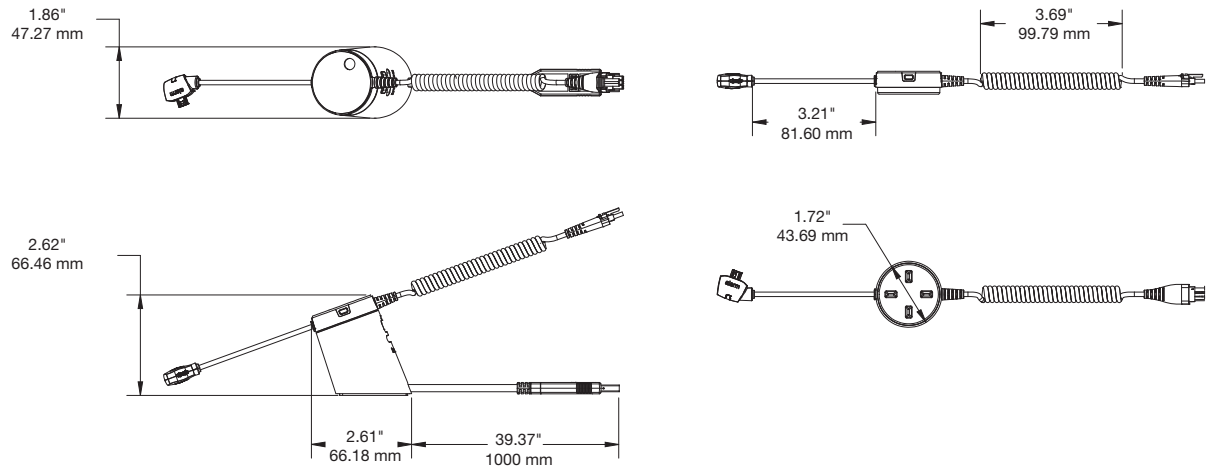

- Handheld Electronics
- Electronic Accessories
- Secure Fixtures
- Package Protection
- Locked Cabinets
- Commercial Solutions
